## Benefits

ICYBAY's US farm raised Catfish is guaranteed to be 100% net weight. Our catfish is harvested, processed and packaged in less than 50 minutes. Preserving the fish freshness, quality, texture and superior flavor.

ICYBAY catfish is farmed and processed with care and respect for the environment and our community.

Monitoring begins at the farms, where our catfish are fed a high protein grain-based diet and oxygen levels are constantly checked.

Produced to a high quality standard, ICYBAY Catfish fillets provide reliable performance across all sizes offered. Our well trimmed, skinless and boneless fillets are 100% usable with applications like chowder, stew, quiche, bake, glaze or stuffed.

Year round availability allows for consistent supply and ability to control costs while providing competitive prices to our customers.
